

Careers Policy

1. Purpose

The School has a stated aim to provide all of our students with the qualifications, skills, confidence and support they need to access the best possible university courses, vocational training places and career opportunities and to support them in being successful within rapidly changing economic and social environments. This policy will outline the delivery team for our careers programme, our aims, and the monitoring process.

2. Scope

The aim of this policy is to ensure that students, parents, teachers, governors and employers understand the aims, curriculum, and evaluation of our careers programme and how and by whom this will be monitored.

3. References

This policy has been written in accordance with the Department for Education document 'Careers guidance and access for education and training providers'¹ and in relation to Ofsted's consideration of how well schools ensure 'learners receive high quality impartial careers guidance that prepares them for their chosen next steps and enables them to make well-informed decisions about their future plans'². The policy also sets out the requirements to meet the Gatsby Benchmarks³, which although not statutory, will ensure that the School is fulfilling its legal duties. You will also find a copy of our Provider Access Document on the School website.
