

20th March 2020

Dear Parents/Carers,

I am writing to you to outline the School's approach to home learning for the next two weeks.

Every pupil at the School will follow their normal timetable while working at home. We have chosen to use Show My Homework as our vehicle for delivering this timetable. Each lesson's work on any given day will be set as a piece of work on Show My Homework. This means if your child has Mathematics every Tuesday period one, then their Mathematics work will be set and due on Show My Homework each Tuesday for them to complete. Much of this work will require access to a computer in the initial two week period while we transfer to remote learning. It is our intention to review this after two weeks to see how we will continue to set work if we continue to be closed after the Easter holidays.

The nature of the work set on Show My Homework will vary from subject to subject. For instance, in Mathematics Show My Homework will direct pupils to Hegarty Maths, in Science Show My Homework will link to resources using ActiveLearn, and in English our resources will be posted directly onto Show My Homework. Where subjects are asking for work to be submitted directly to Show My Homework, pupils can either submit this as a word processed document or as a photograph of written work.

If you have questions in relation to this, including if your child will be unable to access Show My Homework on a laptop, mobile phone or computer while at home, or if you would like your or your child's login to Show My Homework, please email Mr Samuel on samuelw@cfbs.islington.sch.uk. For specific questions on work for a particular subject please email:

- Year 7, Mr Royal royalm@cfbs.islington.sch.uk
- Year 8, Mr Stevens stevensl@cfbs.islington.sch.uk
- Year 9, Mr Samuel samuelw@cfbs.islington.sch.uk
- Year 10 and Year 11, Mr Dilley dilleym@cfbs.islington.sch.uk
- Year 12 and Year 13, Mr Barker barkerc@cfbs.islington.sch.uk

We wish you all well and are looking forward to welcoming your child back to School when we are able to.

Best wishes,

Mr Brownhill

Headteacher
