RE: CFBS Music Update

Dear Parents,

MiSST Lessons

I am happy to say that MiSST lessons will resume fully from next week. All KS3 pupils will need to bring their instruments in to school.

I appreciate it has been a while since our last MiSST lessons, so just a reminder that instruments should live at home for pupils to practice and be brought in for lessons. Any small repairs (e.g. a broken string, out of tune) will be happily completed by the music department. Seriously damaged or lost instruments however, may need to be paid for. Instruments left in school during lockdown will be returned to pupils next week.

Please talk to your son about where their instrument is and what condition it is in.

Instrument Tuition

Instrument lessons started for KS4 pupils next week. We are working to include KS3 pupils as soon as possible. In the meantime, all instrument tutors are happy to receive audio or video recordings via email for feedback.
