

CENTRAL FOUNDATION BOYS' SCHOOL

1st April 2021

Dear Parents/ Carers,

Re: Online revision sessions for students – Week commencing 12th April

In the week commencing 12th April we will be running a week of online revision sessions for all Year 11 students. These sessions will focus on supporting the students' revision for their final assessments in May. The sessions will focus on the content of the course that has been identified to the students in the Personal Learning Checklists that have been provided to the students.

The sessions will be in the same format as the remote learning lessons the school has provided previously. The students will log on through links on Show My Homework.

The timings of the sessions will be in line with the normal school day.

We will be running two sessions at the same time for Maths and English. The links will make clear which session students should join.
