

CENTRAL FOUNDATION BOYS' SCHOOL

7th May 2021

Dear Parent/Carer,

I am writing to inform you of upcoming events in the school calendar, most importantly, the Year 8 Parents Evening.

Over the last few weeks Year 8 students have had assessments to ascertain their current learning and identify any gaps in knowledge. Staff will use this information to inform their future planning to support your son over the next term.

Parents Evening will run on Thursday 1st July, this will consist of virtual meetings with an online booking system, further information will be sent closer to the date. This is an important evening, providing you with an opportunity to speak with your son's teachers to discuss his progress.

Please also be aware the school will have two INSET days on Thursday 27th and Friday 28th May. School will be closed on these two days to enable teachers and leaders to complete the marking, moderation, grading and quality assurance needed to determine grades for GCSE, A-level and vocational pupils.
