

CENTRAL FOUNDATION BOYS' SCHOOL

24th January 2023

Dear Parents/ Carers,

Re: National Education Union Strike Action – Wednesday 1st February

The National Education Union (NEU) have confirmed that they will be taking strike action on the 1st February in respect of the issues of pay and funding for schools.

A large number of teachers at the school are members of the NEU and I anticipate that there will be very few teachers available on the 1st February to provide lessons for the students. I, therefore, regret to inform you that the school will not run on the 1st February for most students in Years 7 to 10 and Years 12 to 13. We are making provision for those students whose parents are 'key workers' or who need to be in school for their health and welfare. The definition of 'key workers' is that which was used during the pandemic, being those who work in what are considered essential services. If you are the parent or carer of a student who will be attending school under one of the above criteria please can you notify the school by sending an e-mail to info@cfbs.islington.sch.uk.

Year 11 students should attend school at the normal time. They will be dismissed from school at 12.10 p.m.

The school will provide work for all students to complete through the Satchel One platform.

The school will have a hot meal available for students eligible for free school meals. If you wish for your child to have lunch at the school on the strike day, please send an email to info@cfbs.islington.sch.uk.

I am very sorry for the inconvenience that this strike action causes to parents and carers. As a school, we will be doing our utmost to make up the impact of the lost education.

Yours faithfully,

Jamie Brownhill
Headteacher
