

## Central Futures Apprenticeship Workshop Series 2023

Dear Parent/Carer,

As part of the Central Futures support, the school has organised a series of workshops designed to support our Year 13 pupils who are interested in pursuing an apprenticeship as their post-18 pathway. This series will commence on Wednesday 1<sup>st</sup> November 2023, and will run every Wednesday afternoon until the end of the Spring term.

These workshops are compulsory for all pupils who wish to secure an apprenticeship as their post-18 destination. The journey to securing an apprenticeship can be a long and often challenging process, and this workshop series is designed to ensure your pupil has the information and guidance to navigate this process independently.

Please see below the schedule for each workshop. Each workshop will be run by an external provider, so pupils will have the chance to learn from industry professionals. Sessions will run from **1:45pm to 2:45pm in Rm SC01**.
