

Central Foundation Boys' School

Sixth Form & College Guide

The Central Futures Team have put together an overview of the most popular and regularly applied for sixth forms and colleges for Central Foundation Boys' School pupils. Please be advised this is not an exhaustive list, but we hope this will support you in exploring the options available to your pupil. We would encourage all families to book and attend an Open Day for any post-16 provider you may be thinking about applying for. Details of Open Days are provided within this guide, as well as the sixth form's/college's application policy.

If you have any further questions, please get in touch with the Central Futures Team
