

CENTRAL FOUNDATION BOYS' SCHOOL

Dear parents and carers of the Class of 2028,

As we reach the end of the Class of 2028's third academic year at Central Foundation Boys' School, and the end of their Key Stage 3 journey. I would like to take this opportunity to express our gratitude for your support. This letter provides a short reflection on our achievements in the summer term. It also outlines important information to help you to prepare for the start of the academic year and students' progress into Year 10 and Key Stage 4.

Summer Term Achievements

The **Celebration of Culture**, which was organized by our Student Council, this year raised over £550 for our chosen charity, Unicef. Students in Year 8 took part in the student snack sale, Euros-inspired football competition and the House Challenge Quiz.

We were also very proud to see Year 9 take lead roles in our **Summer Term Arts Performances**: The CFBS Drama Showcase, The Battle of the Bands and, of course, our Summer Concert.

Finally, we ended this term with **Year 9 Graduation Ceremony**. This special event, which was part of our **Activities Week**, saw students share speeches and poetry reflecting on the school year.

Key Stage Changes

In Year 10 and Year 11 students will be working with **Ms Oladimeji, Assistant Headteacher for Key Stage 4**: oladimejid@cfbs.islington.sch.uk.

I have found the families of CFBS to be hugely supportive of me throughout Key Stage Three. I am extremely grateful for having such a fantastic student community in the class of 2028.

Mr Hudson is departing from CFBS for an exciting new challenge; he is relocating to Spain. We are incredibly indebted to Mr Hudson for the dedication he has shown to the Class of 2028. He has been central to the success of the year group and approached each aspect of his role with students' wellbeing at the centre.

From September, The Class of 2028 will have the newly appointed Ms Mcmenamin as their Director of Learning. EMAIL mcmenamink@cfbs.islington.sch.uk I know she will be warmly welcomed by the CFBS community.

Academic Year 2024-2025

The new academic year for Class of 2028 will commence on Thursday, 5th September. Students should return to school on this date for 8:40am, ready to start the term with enthusiasm. Year 10 is beginning of the GCSE course and therefore students should aim to have exemplary attendance and behaviour from the start.
