

CENTRAL FOUNDATION BOYS' SCHOOL

Dear Parents and Carers,

As we reach the end of another successful academic year, I want to reflect on the accomplishments of our students and share some highlights from this term.

One of the standout experiences for our Year 10 students was their involvement in the activities week and industry work placement visits. These opportunities allowed them to be exposed to various industries and gain valuable employability skills that will be crucial as they move forward in their academic and professional journeys. The feedback from students and industry partners has been overwhelmingly positive, highlighting the importance of such initiatives in preparing our students for the future.

We have also enjoyed exceptional performances and talents in the Drama showcase and the Jazz and Summer Musical concerts. Our students have excelled in public speaking competitions, becoming national champions in debating and benefited from cultural experiences with an international trip to Spain. Thank you for being so supportive, particularly the many parents and family members who joined us in person. Our students have so much to be proud of!

Summer Homework

Your son has been set homework tasks on Satchel One to be completed over the summer holidays to support preparation for the year ahead. This booklet reinforces their acquired skills and knowledge and ensures they are well-prepared for Y11. Paper copies of the homework tasks are available to collect from reception.

This upcoming year will be a pivotal time for them as they embark on the challenge of completing their GCSEs. We encourage them to take this summer to revise, rest and rejuvenate so they can return with energy and a positive mindset, ready to tackle the demands of their final year. Please support us by ensuring your son completes the work set.

GCSE results day

The school will email the RE GCSE results on Thursday, 22nd August, between 10-2 pm. Please inform the school office if you have recently changed your email address to ensure the results arrive on time.
