

CENTRAL FOUNDATION BOYS' SCHOOL

19th December 2024

Dear Parents and Carers,

On the 6th December the whole school community celebrated our Founder's Day. Our founder, William Rogers, wanted a school that allowed young people to flourish – to be the very best version of themselves; he wanted to create a school that provided students with the education and qualifications to access the very best universities and career opportunities; but also to provide opportunities for students to grow across the widest possible field of human endeavour and experience.

On Founder's Day we gave prizes to those students who reflect our values – being respectful and kind, being brave, working hard – and being great learners – and we celebrated those students who have taken advantage of the many opportunities that are available to them across the arts, sport and drama. The day was a wonderfully celebratory occasion and that spirit has continued in the subsequent weeks. In the last couple of weeks our sports teams have remained as active as ever, our winter drama showcase was spectacular and this evening, our winter concert has over 160 students performing across musical genres from Karl Jenkins to Oasis, and I am delighted to say it is a sell-out!

In addition, we have held awards and celebration events for all year groups. There has been a lot to celebrate; in terms of the students' attendance to school and homework completion, the students have been at a level that is significantly above the last few years; and we have had over 700 students attend at least one after school activity.

It has also been lovely to meet so many of you at parents' evenings over the last few weeks and again these have been moments where we have been able to recognise the impressive engagement of the students with their studies and wider education.

I would like to wish all of our families a joyous and peaceful holiday period. We look forward to welcoming all of students back in 2025.

My kindest regards,

Mr Brownhill
Headteacher
