

CENTRAL FOUNDATION BOYS' SCHOOL

27th January 2025

Dear Parents and Carers,

Unfortunately, after three weeks without any street robberies, there were two attempted robberies, one on Thursday evening and one on Friday morning. They took place on City Road just to the north of Old Street Roundabout. Thankfully, all the students involved are physically unharmed.

In the parental meeting on student safety, Inspector Andrew Field provided a summary of the police operation that had been put in place before the holiday in response to the street robberies that had been taking place. This operation had involved increased numbers of plain clothes and uninformed officers. It had resulted in arrests and, for a while at least, a cessation of the robberies.

As a school we will continue to work with the police and local authority to do all that we can to ensure the safety of our students. The priorities are the increase in CCTV along the routes our students take, the increased presence of police officers, the publication of the safe routes for our students and the refreshing of the safe haven programme, where businesses are available for our students to enter if they feel threatened.

Kind regards,

Mr Brownhill
Headteacher
